TABLE TALK  
AT THE  
COMMERCIAL CLUB.

Charles Sutton, of Lawrence, was a guest at the club this noon.

Secretary Kelley has been appointed by Governor Arthur Capper as a delegate to the Southern Commercial Congress to be held in Charleston, South Carolina, December 13 to 17.

Miles Larater, agency supervisor of the Equitable Life Assurance with headquarters in Oklahoma City, was a guest of Charles A. Moore at the club this noon.

"Some days we have better things to eat than others," said A. E. Van Patten to Secretary Kelley today. "I understand that you buy from different grocers each week. Wouldn't it be a good idea to put a sign in the dining room stating from what grocer the goods were bought so that the men eating could tell. Sometimes I get something to eat at the cafe that I would like to buy for my home. If we had such a sign we would know where to buy."

Robert Tasker has been appointed field agent for the Germania Life Insurance company in Kansas.

"What Topeka needs is a good press club," said Father John Murphy, at the club this noon. "There are enough good newspapermen here to make a live organization. I'd like to see one started."

## IT WILL COST \$20,000 TWELVE STAND QUIZ

Holland Submits Plans for Enlarging Auditorium to a Capacity of 5,100 Persons.

Complete plans for the enlargement and general rehabilitation of the city auditorium have been laid before the city commission in the form of blue prints by J. C. Holland, architect. The matter of enlarging the auditorium is still in a nebulous state but the Commercial club has started an agitation for it. The plan proposed by Mr. Holland would increase the seating capacity of 3,300 to 5,100 and would cost the city in the neighborhood of \$20,000.

The plans drawn by Mr. Holland, who was the architect of the present building, calls for extensions to the north and south and for the building of a new wing on the east side large enough to accommodate the big pipe organ. His plans would not disturb the trusses and girders that support the roof. The city owns ground both to the north and south of the present structure.

There are several important matters to attend to before any work can be done on the auditorium. First a petition must be circulated and it must be signed by twenty-five per cent of the taxpayers of the city. This petition would call for a special election to vote bonds for the project. The commission looked over the blue prints but was not in position to take any action. Mr. Holland appeared before the commission at the request of a committee appointed by the Commercial club.

Twelve applicants for city positions took their examinations before the civil service commission this morning. It was the last examination the commission will hold until next April. The persons taking the examination and the positions for which they were examined are:

Mrs. E. McLean, 629 Tyler, for police court clerk; Paney Snyder, 1125 Polk, for police court clerk; Christian Bell, 1517 West street, for police court clerk; George Bell, 1137 Clay, for sanitary police; S. W. Cell, 1517 West, for police court clerk; Georgia Hall, 425 Harrison, for police court clerk; W. P. Long, 2679 Kansas avenue, for patrolman; Lorena Shantz, 719 Tyler, for sanitary police; Edna Andrews, 2304 North Quincy, for police court clerk; B. M. Porter, 415 East Tenth, for police court clerk; Mary Grover, 1298 Clay, for sanitary police; William Bollinger, 606 Harrison, for sanitary police.

Only two of the members of the commission took the examining today. T. B. Garrett and Mrs. H. N. Rhodes. The third member, L. O. Maxwell, has resigned but failed to attach his name to the resignation. Consequently it has not been accepted.

## MRS. JEWELL IS DEAD

Widow of Byron Jewell Came to Topeka in Early Sixties.

Mrs. Adelaide Jewell, widow of the late Byron Jewell, died Sunday night at her home, 315 Harrison street. Death followed a lingering illness and for more than half a century Mrs. Jewell, a daughter, had been at her bedside.

Mrs. Jewell came to Topeka with her husband in the early sixties and lived during all that time in the house in which she died. The family is well known in the city. The late Byron Jewell was for many years a familiar figure in Topeka.

Mrs. Jewell is survived by two daughters, Mrs. Addie Jewell Newton, of Syracuse, N. Y., and Miss Theo Jewell. Funeral from home at 2:30 o'clock Tuesday afternoon. Burial in Topeka cemetery.

## MONEY IN WATER

City Department Invests \$2,000 in Municipal Bonds, Making a Total of \$145,349.

The city commission today authorized the investment of \$2,000 of the water department's sinking fund in city bonds bearing four and one-half per cent interest. This investment brings the water department's total investment in municipal bonds up to \$145,349. The water department comes as near being a separate corporation as it is possible for a city department to be. It is self-sustaining and more. It makes a profit each month. A portion of this is set aside in a sinking fund and at intervals is invested in municipal bonds.

The fireman's relief fund is invested in the same manner. Five thousand dollars was invested in this way recently and there is \$5,000 more ready for investment.

Mr. Coe was born at Riverside, Ill., November 1, 1872, and died at his home, 415 Western avenue, last Wednesday. He had been a resident of Topeka since he was fifteen years old. BRITISH LASS FOILS JOHN BULL; WEDS AMERICAN, THUS CHANGES NATIONALITY

Dr. and Mrs. Byron Moore.  
Miss Dorothy Winifred Barfield, a native of British South Africa, was engaged to Dr. Byron Moore, an American. They had planned to be married at Savannah, Ga., Dr. Moore's home. But the British government in these war times makes it hard for its subjects to get out of the country. So it was decided that the couple should be married in South Africa. The wedding ceremony made the British girl an American. So she got away without trouble, and is now in Savannah with her husband.
